Convention Center

RSVP

Focused, sustainable excellence in surgical care throughout the developing and developed world is our mission for today and our vision for tomorrow. Partnering with surgeons from around the world, the United States Chapter of the International Society of Surgery is uniquely positioned to integrate this worldwide surgical network.

50th World Congress of Surgery ISS/SIC Kuala Lumpur, Malaysia August 25-29, 2024

International Surgical Week was held in Kuala Lumpur, Malaysia from August 25 – 29, 2024 with participation from the component societies and attendees from 6 continents. President Chang-Har Yip and the Organizing Committee hosted us very well and we enjoyed a great time learning from our colleagues, networking and enjoying the beautiful country.

ACS Distinguished Lecturer: Raymond Price, MD FACS

One of the important keynote lectures of the meeting is the American College of Surgeons-sponsored Lecture which was presented by Dr. Raymond Price (SLC, UT) titled "Are You Ready to Change the World?"

Raymond Price, MD FACS

Dr. Lily Gutnik and Dr. Krista Kaups

Lloyd Nyhus Traveling Fellowship

The US Chapter of the ISS sponsors the Lloyd Nyhus Traveling Fellowship which was awarded to Dr. Lily Gutnik (Birmingham, AB). Dr. Gutnik presented her research on leveraging breast cancer survivors to help reduce stigma and accept treatment among breast cancer patients in Tanzania, which incidentally was awarded the Breast Surgery International (BSI) Free Paper Prize. Congratulations, Dr. Gutnik!
